Memories I would like to share…

First of all, I thank God for the Call to SSND, and thank our congregation for my education and the experiences I had being a teacher, principal and secretary to the former Milwaukee Province's administration and staff.

The pilgrimage to Rome and Germany in 1981, celebrating my 25th Jubilee, is one of the wonderful memories I have as an SSND. I will always remember the opportunity to visit the places of our heritage. It bestowed upon me many blessings for the future, as I tried to do as He told me to do. May God continue to bless us, through the intercession of Our Blessed Mother, Mother Theresa and Mother Caroline, as we teach in all we do.
