

Our History

This ecology effort was originally founded in 2007 as Sunseed Eco-Education Center and thrived among the rolling farm hills of Mount Calvary, Wisconsin for three years. In 2010, the organization moved to Notre Dame of Elm Grove and became The EDGE in May of 2013.

Our Mission

The EDGE is an ecological ministry inspired by the science and spirituality of the evolving Universe Story.

Based on this vision of unity, programs educate adults and youth to live in a way beneficial to all of creation.

The EDGE was founded and continues to be subsidized by the School Sisters of Notre Dame, Central Pacific Province. Donations are always welcome.

Programs 2014-2015

Brown Bag Buzz

Earth Day

Winter Solstice

Summer Solstice

Brown Bag Buzz

Honoring the Equinox

Date: September 23, 2014; 11:30-1:00 PM

Film: *Wisdom to Survive: Climate Change, Capitalism and Community*

Place: Notre Dame of Elm Grove
13105 Watertown Plank Road, Elm Grove
Maria Conference Center

Cost: \$10.00

The Autumn Equinox is a shifting of seasons from summer to autumn. We, too, move into the more introspective time of the year. Together we examine the crucial issues affecting our planet and “buzz” about our insights. ***Wisdom to Survive: Climate Change, Capitalism and Community*** has won numerous awards from film festivals. Seasonal refreshments and treats are provided those who munch on their lunch, while enjoying this high-quality, contemporary film together.

Honoring World Water Day

Date: March 18, 2015; 11:30-1:00 PM

Film: *Thirst*

Place: Notre Dame of Elm Grove
13105 Watertown Plank Road, Elm Grove
Maria Conference Center

Cost: \$10.00

World Water Day is held annually on 22 March as a means of focusing attention on

the importance of freshwater and advocating for the sustainable management of freshwater resources. The film, **Thirst**, focuses on the question: whose water is it? to be privatized and owned by a company? or a common resource belonging to all? The answer to this question affects the water level of our Great Lakes, our dump sites and how much pollution is expelled into the atmosphere.

Elm Grove Village Earth Day

Date: April 19, 2015; 2:00-4:00 PM

Place: Elm Grove Village Library
13600 Juneau Blvd.; Elm Grove

Our third annual Earth Day celebration is being facilitated by Elm Grove residents and gracious volunteers who comprise the committee. In the past, children have enjoyed story-telling experiences, planting their own pots and engaging in dance with a professional “butterfly” which came out of an imaginative cocoon while their parents were engrossed in a high-quality, informational experience. Afterwards, families explored together the booths displaying touch-y, feel-y exhibits. This year’s celebration will focus on water.

The event is free.

Winter Solstice

Date: December 18, 2014; 7:00-8:30 PM

Place: Notre Dame of Elm Grove
13105 Watertown Plank Road; Elm Grove
All Purpose Room

Cost: \$10.00

This is a reflective and prayerful experience of joy and celebration. Participants relish the quiet and a felt sense of Earth’s changing relationship to the Sun. Homemade treats fitting the theme, are part of the evening’s observance.

Summer Solstice

Date: June 18, 2015; 11:30-2:00 PM

Place: Notre Dame of Elm Grove
13105 Watertown Plank Road, Elm Grove
All Purpose Room

Details about the day’s activities will be publicized as the day draws near.
