2022 Women's Leadership Luncheon

The Women's Leadership Luncheons are the School Sisters of Notre Dame's (SSND) annual events that recognize women leaders who make a positive difference in their communities. Held in four metropolitan-area cities each spring, the luncheons are guided by the SSND commitment to transform the world through education. Guests hear from keynote speakers who share their leadership journey, and from others who reflect how spiritual and professional lives intersect to create a better world. Combined, the luncheons empower women to shine a spotlight on their own unique talents and strengths to become more confident leaders.

These dynamic events bring together individuals, business professionals and community leaders, and are an opportunity to network with others. Thanks to generous individual and corporate sponsors, the Women's Leadership Luncheons are FREE to all guests.

The School Sisters of Notre Dame invite you to sponsor the March 2022 luncheon at the Wisconsin Club - City Club. Your sponsorship will not only support the event, but will also inspire other women to become leaders and allow SSND to continue their mission. A variety of sponsorship levels are available. The following information outlines sponsorship benefits and includes a donation form.
