

**SSND CP *Laudato Si'* Action Platform (LSAP) Communal Reflection Process
Annual Workplan Evaluation & Input**

How are you connected with the SSND Central Pacific Province?

Sister Associate Staff Other Colleague in Mission

Year One Commitment – Daily Prayer

All sisters and associates were encouraged to pray daily in support of the SSND Congregational and CP Province Laudato Si' commitments.

Over the past year, how would you characterize your prayer in support of this effort?

every day most days occasionally rarely if ever

Was having a province commitment to daily prayer meaningful to you? yes no

If you like, please share more about this.

Do you think we should retain a province commitment to daily prayer for our Year Two LSAP Plan? yes no

If yes, do you have any suggestions about ways we can better support this commitment?

Year One Commitment – Less Meat

All sisters and associates were encouraged to go at least one day a week without eating meat.

Over the past year, how often did you go at least one day a week without eating meat?

every week most weeks occasionally rarely or never

On average, how many days per week did you go without eating meat?

0 days 1 day 2 days 3-6 days 7 days (I don't eat meat)

Was having a province commitment to eating less meat meaningful to you? yes no

If you like, please share more.

Do you think we should retain a province commitment to eating less meat (at least one day a week) for our Year Two LSAP Plan? yes no

If yes, do you have any suggestions about ways we can better support this commitment?

Year One Commitment – Less Single Use Plastic

All sisters, associates, province departments and ministries were encouraged to choose alternatives to single use plastic (including bottled water) in situations they can do so.

Over the past year, how would you characterize your use of alternatives to single use plastic?

More this year than I did previously

About the same as I did previously

Less this year than I did previously

Over the past year, how often did you use alternatives to single use plastic?

Regularly Occasionally Rarely Never

Was having a province commitment to reducing single use plastic meaningful to you?

yes no

If you like, please share more about this.

Do you think we should retain a province commitment to reducing single use plastic for our Year Two LSAP Plan? yes no

If yes, do you have any suggestions about ways we can better support this commitment?

Year One Commitment – Weekly Action

All sisters and associates were encouraged to engage in at least one action each week in support of SSND’s LSAP commitments utilizing resources from the weekly province announcements, Shalom News North America newsletter and alerts, or other sources.

Over the past year, how often did you take action in support of our LSAP commitments?

every week most weeks occasionally rarely or never

Please mark **ALL** of the concerns you took action on this past year

climate and environmental matters immigrants and refugees racism

peace/non-violence human trafficking poverty

women children abortion

education capital punishment criminal justice

democratic participation other - _____

Was having a province commitment to taking weekly action meaningful to you?

yes no

If you like, please share more.

Do you think we should retain a province commitment to taking action weekly for our Year Two LSAP Plan? yes no

If yes, do you have any suggestions about ways we can better support this commitment?

Year One Commitment – Incorporate LSAP Commitment into Goal-Setting Processes

All sisters, associates, province departments and ministries were encouraged to take steps to incorporate SSND LSAP commitments explicitly into their existing goal-setting process going forward.

In the past year, did you incorporate SSND LSAP commitments into an existing goal-setting process? yes no

Was having a province commitment to incorporate LSAP commitments into existing goal-setting processes meaningful to you? yes no

If you like, please share more about this.

Do you think we should retain a province commitment to incorporate LSAP commitments into existing goal-setting processes for our Year Two LSAP Plan? ___yes ___no

If yes, do you have any suggestions about ways we can better support this commitment?

Year One Commitment – Meeting and Event Planning

All meeting and event planners were encouraged to reflect our oneness and interdependence with all life on Earth and our commitment to sustainable living practices in recognition of *Love Gives Everything* and our community’s LSAP commitment. This should be reflected in such areas as venue selection, the way the prayer and program is organized, the food and drink that is chosen and provided. All province events will include carbon footprint calculation and a commitment to appropriate remediation. A summary of these actions should be shared in some fashion with participants to raise awareness and promote accountability.

Were you involved in meeting or event planning this past year? ___yes ___no

If yes, in what ways did you support this commitment in your meeting/event planning?

- ___venue selection
- ___prayer and program organization
- ___food and drink
- ___carbon footprint calculation
- ___remediation
- ___share summary of actions taken to participants
- ___other - _____

Was having a province commitment to incorporate LSAP commitments into meeting and event planning meaningful to you? ___yes ___no

If you like, please share more about this.

Do you think we should retain a province commitment to incorporate LSAP commitments into meeting and event planning for our Year Two LSAP Plan?

___yes ___no

If yes, do you have any suggestions about ways we can better support this commitment?

Final Questions – An opportunity to provide additional input and suggestions

If you like, please share other ways you have responded to the cries of the earth and the cries of the poor this past year.

Do you have suggestions for other items we should consider including in our Year Two CP LSAP Action Plan?

Overall, how satisfied are you with our CP Province LSAP efforts to respond to the cries of the earth and the cries of the poor?

___very satisfied ___modestly satisfied ___not satisfied

Anything else you would like to share or suggestions you would like to put forward?

Name (optional): _____ Email: _____

Please email completed reflections **BY MAY 9** to Tim Dewane at tdewane@ssndcp.org or mail to:
