

Foundation Day | School Sisters of Notre Dame | October 24, 2016

May God of the vineyard give growth
so that what God's love has called into being
may bear blessed fruit in its time.

~ Blessed Theresa of Jesus Gerhardinger | Letter #3339 | April 3, 1863

As we celebrate the 183rd year of our congregation,
may we faithfully follow the example of
Blessed Theresa of Jesus Gerhardinger, our foundress,
who placed her trust and hope in God. She dared everything
and enabled in so many, the belief that God loves us all.

Our world needs the hope witnessed in the Good News.
Wherever we are, whatever our work and life-style,
we seek the oneness for which Jesus Christ was sent –
trusting that the world can and will be transformed.

We thank you for your support of our shared mission and
invite you in prayerful solidarity to follow God's loving call.

Happy Foundation Day!
