

“Let us work and serve in love and fidelity
and with good intention, not to please people, but the Lord!”
-Blessed Theresa of Jesus Gerhardinger,
Letter #2941, 1859

As we celebrate the 177th year of the School Sisters of Notre Dame, we reflect on the past year and the many changes it brought. Through it all, we’ve continued to faithfully follow the example of Blessed Theresa, our foundress. She sought God in all things and enabled so many to seek God.

Thank you for supporting us in our shared mission,
we are praying for you and your family.

Please join us for a Foundation Day Prayer Service at 10 a.m., CST, Saturday, October 24. The prayer service will feature sisters from across the province in prayer, scripture, song and photos. Just click the [Foundation Day Prayer Service](#) to join us.

If you are unable to join us at on October 24, the link to the Foundation Day Prayer Service will be available through our [website](#) and [Facebook](#).
