

everyday pause *everyday blessing*

EASTER SUNDAY; March 27, 2016

**Those who  
are free in GOD  
will always remain  
*joyful and alive.***

A Tibetan singing bowl holds our deep story. A wooden clangor signifies the pressing needs of our historical time and place. THE GONG STRIKES.

The sound is our CHARISM - the meeting of God's gift to us with the needs of our times.
