## Barbara Janda, SSND

*50 Years*

**Sister Barbara** has been a teacher of primary students for over 40 years. In Wisconsin, she taught in Beaver Dam, Sheboygan, Milwaukee and Elm Grove. In 2003, she moved to Austin, Texas where she taught first grade for two years. She shifted her focus from classroom teaching to tutoring students who were learning English. Subsequently, Sister Barbara responded to the call for a counselor with an after school program in Round Rock, Texas. She retired in 2010, but continues her volunteer ministry – which includes being a tutor at Mission Possible.

### **God has been so good to me**

over the last 50 years. People have been congratulating me on my fidelity, but God is the One to be congratulated for God's fidelity to me. God's love is everlasting.

### **We never know fully what God has planned**

for us but we do know She is always there holding us in the palm of Her hand. There is a saying that people plan and God laughs.
