Juliette Daigle, SSND

50 years

Sister Juliette entered the SSND community from Sacred Heart Parish, in New Orleans, Louisiana. She holds a bachelor's degree in economics and business education and a master's degree in business education from the University of Central Arkansas. An intermediate and high school teacher from 1964-1993, she served in schools in Marrero and New Orleans, Louisiana and in Houston and San Antonio, Texas. From 1982-1987, in addition to her teaching, Sister Juliette responded to the community's call to serve as a member of the Dallas Province's Formation Team working with temporary professed sisters. In 1993, she left the classroom to serve the community full-time as the Provincial Secretary. She would minister in that position for the next 12 years. From 1994 through 2005, her service to the SSND community also included ministry as the Director of Associates. Since 2006, S. Juliette has been ministering as the general secretary and archivist at the SSND Generalate in Rome, Italy.

Choosing to live community life as a

School Sister of Notre Dame has afforded me so many graces and blessings during these past 50 years as a professed sister. It is hard to mention only one or just a few, but fidelity is a gift I have experienced in several ways: fidelity in the experience of God's love for me and fidelity of love and acceptance of my sister-religious who have helped me to grow in my own fidelity to God's love and will in my life.

The experience of life itself brings forth

wisdom, especially the wisdom of making choices in life. Besides continually being faithful to the integration of prayer, community life, ministry and having an openness to respond to God's graces in my daily life, the wisdom of including humor in my life has always been an asset for me.

God has graced each of us with

the ability to give and receive love. For this, I am grateful to the many sisters I have lived with, for my family and for those whom and with whom I have ministered over the years.
