JUBILEE WISDOM

While new beginnings are not always easy, God is there through the help and guidance of others.

Kathleen Donovan, SSND

50 Years

Sister Kathleen served as an elementary and junior high teacher and principal for 41 years in Missouri and Illinois. For seven years, she was a coordinator for religious education in St. Louis. From 2003-10, she taught at Cathedral Grade School in St. Louis, and since 2010, she has served as the school's interim principal. Sister Kathleen received a bachelor's in art from the former Notre Dame College in St. Louis and a master's in elementary education from Southeast Missouri State University in Cape Girardeau, Missouri.

A blessing of these years I want to share

is the experience of the hundredfold: not only the support of family members in numerous ways, but also lifelong friends and meaningful relationships from the many locations of my ministries, community members, the students, their families, and co-workers.

The wisdom I would like to share

is that wherever or to whatever God calls one, His grace follows. One of those graces is finding happiness in the ministry or work in which one becomes involved. While new beginnings are not always easy, God is there through the help and guidance of others.

Having had two SSND aunts and family employed by SSND, living for 17 years on SSND premises prior to entrance, and being taught by SSND (elementary through college), one could say that SSND has been my whole life and heritage.
