JUBILEE WISDOM

*I am so grateful that God
has called me to be a School
Sister of Notre Dame.*
-Leona Wieck, SSND

Leona Wieck, SSND

50 Years

Sister Leona served in food service, as a child care worker and in community service roles, primarily in Missouri but also in California and Pennsylvania, for 47 years. She currently serves a ministry of prayer and presence at The Sarah Community in Bridgeton, Missouri.

A blessing of these years I want to share is

how I have grown in God's love, and blessings and graces received.

The wisdom I would like to share is

peace and hope. I am so grateful that God has called me to be a School Sister of Notre Dame.

Thinking back on my years of ministry,

I remember especially my first assignment during the years of 1962-69. These were the years I lived with the aspirants and helped them in any way I could, often doing things I thought I'd never be able to do. Being with the aspirants was also an opportunity to share with them why they thought they might want to be a sister, as well as why religious life was meaningful to me. I am grateful for this wonderful time in my life.
