JUBILEE WISDOM

*Over the years, I gradually
grew in the knowledge of
God's love for me. No matter
how I stumbled along the way,
I did remain faithful and
I always prayed for
God's grace to guide me.*
-Leonette Juengst, SSND

Leonette Juengst, SSND

50 Years

Sister Leonette served as an elementary music teacher and a high school teacher for 20 years in Missouri. She was the director of the Newman Center at Lincoln University in Jefferson City, Missouri, from 1984-92. For the next 17 years, she was the pastoral associate at Queen of All Saints Parish in St. Louis. Currently, she serves in pastoral ministry and as a retreat director in St. Louis. She ministers at Notre Dame Preschool and Metropolitan Churches United. Sister Leonette received a bachelor's in music theory from the former Notre Dame College in St. Louis and a master's in pastoral studies from Loyola University of Chicago.

A blessing of these years I want to share

is that over the years, I gradually grew in the knowledge of God's love for me. No matter how I stumbled along the way, I did remain faithful and I always prayed for God's grace to guide me.

The wisdom I would like to share

is that only through experiencing the ups and downs of life, in embracing my own weaknesses, have I become aware of my own humanity and thus more able to help satisfy the spiritual longing for God in my own heart and in the lives of others.
