JUBILEE WISDOM

God gives us a lifetime to prove our love for Him but we receive it only one day at a time. I can handle that!

Martha Meyer, SSND

50 Years

S*ister Martha ministered in education for more than 45 years, serving as a teacher and principal of schools in West Allis, Milwaukee, Dousman, Wauwatosa, West Bend, Brookfield and Mukwonago – all located in Wisconsin. While teaching, she particularly enjoyed working with intermediate and junior high students. Currently, Sister Martha is transitioning to pastoral ministry, with an emphasis on spiritual direction and retreat work.*

A blessing of these years I want to share is

gratitude to God for the call to live religious life as a School Sister of Notre Dame. All of my years in education, as principal and teacher, have been in the Archdiocese of Milwaukee. God has been faithful through all the challenges and opportunities life has provided. The graces of God are shown through my having family, faithful friends, loyal former students and colleagues. To all of you who have touched my life, thank you!

The wisdom I would like to share is

that God gives us a lifetime to prove our love for Him but we receive it only one day at a time. I can handle that! One of my favorite Scripture quotes is from Psalm 46: “Be still and know that I am God.” Time for prayer and laughter, each day, are my benchmarks. It’s all about God!

I love to do spiritual direction and retreat work.

This has always been a dream of mine. Please contact me through our website if I can be of service or contact me if our lives crossed in the past 50 years.
