### **The gift of my sisters in community**

have been a blessing all the years of my religious life. The support and love shown by them and my other SSND friends has been a tremendous sign of God's presence in my life. With them I have experienced . . .  
"see how they love one another."

### **The wisdom I would like to share**

is that it is with a faithful God that we have made our commitment. His fidelity to us is always present!
