*These 50 years have been a
fantastic touch of God.*

Vincella Lake, SSND

50 Years

Sister Vincella was a primary, intermediate and secondary teacher in Missouri, Illinois and California for 32 years. She also served as a high school campus minister in California. She was the director of the Newman Center and a history and religion teacher at Lincoln University in Jefferson City, Mo. She currently serves in the development office of Rosati-Kain High School in St. Louis. She earned a bachelor's in history at the former Notre Dame College in St. Louis and a master's in history from Lincoln University in Jefferson City.

A blessing of these years I want to share is

meeting so many extraordinary men and women who have grounded me in my vocation and love of God.

The wisdom I would like to share is

God is love and invites us all to make peace with ourselves, our neighborhoods, our world, our universe. These 50 years have been a fantastic touch of God.
