First Profession
July 17, 1952

JUBILEE WISDOM

*Eucharist brings to me
the brokenness and
blessings of life.*

-Cerella Baumgartner, SSND

Cerella Baumgartner, SSND

60 Years

Sister Cerella began her ministry as a primary teacher at St. Matthew School in St. Paul, Minnesota. She would spend the next 44 years in formal education as a teacher and administrator at schools in North Dakota, South Dakota, Washington, Minnesota and Wisconsin. In 1996, Sister Cerella was asked by the SSND community to serve as the Coordinator of Hospitality at Good Counsel Education Center in Mankato, Minnesota. At the same time, she tutored students at Good Counsel Learning Center. Sister Cerella continues ministry through full-time community service to the sisters living at Our Lady of Good Counsel, Mankato, Minnesota.

A blessing of my jubilee years I want to share

is the Eucharist because it brings to me the brokenness and blessings of life.

The gift of wisdom I would like to share

is my love for our foundress, Blessed Mary Theresa of Jesus Gerhardinger, who portrays for me the importance of looking toward the future with hope.
