JUBILEE WISDOM

I was a teacher first!
-Roselle Zollar, SSND

Roselle Zollar, SSND

60 Years

Sister Roselle began her ministry as a School Sister of Notre Dame as a secondary school teacher and organist at St. Mary School in Bellechester, Minnesota. For 28 years, she ministered as an elementary and secondary teacher and organist at schools and parishes in Minnesota, Iowa, South Dakota, Washington, and North Dakota. In 1981, Sister Roselle moved from classroom ministry to pastoral ministry and administration at SS. Cyril and Methodius Parish in Tauton, Minnesota, serving there for just over 20 years. In 2003, Sister Roselle retired from full-time to volunteer ministry, moving to live with the SSND community in Morgan, Minnesota. For the next seven years she would minister at St. Michael Parish, serving as the parish organist and as a parish visitor and volunteer. In 2010, she joined the community at Our Lady of Good Counsel in Mankato, Minnesota. Sister Roselle continues to serve the community and church through prayer and presence.

I always felt blessed to be able to share

my musical talents, through playing the organ, piano or accordion with the people in the parishes. I believe my prayer life always enhanced my teaching and musical ministries.

One of the gifts of jubilee is wisdom.

The wisdom I would like to share is that my master's degrees in education have always helped me make teaching exciting and added to whatever I did in ministry. I was a teacher first!
