Marguerite Churilla, SSND

60 Years

S*ister Marguerite began ministry as a teacher at St. Peter and Paul's School in Mankato, Minnesota. She spent the next 25 years in primary and intermediate education and administration at schools in St. Paul, Blue Earth, Worthington, Shakopee and Rogers, Minnesota, and in Dickinson, North Dakota. In 1981, Sister Marguerite joined the parish community at St. Paul Parish in St. Cloud, Minnesota. For the past 30 years she has ministered as a parish volunteer, cooking for funerals, bake sales, helping organize the social committee, serving as a foster grandparent at an area children's home and at local elementary schools and volunteering at St. Paul and Madison Public School.*

During my years as a School Sister of Notre Dame

I have been blessed with many joys of friendship and faithfulness. Blessings to accomplish each day were a Godsend done with kindness and love.

The gift of jubilee wisdom I would like to share

is the joy, faithfulness and loyalty among my Sisters and all those with whom I have come in contact. It's a Godsend to open the mind and hearts of others in sharing the favors and goodness God lavishly showers on us.

My 60 years have been filled with

a variety of fun loving activities. I paint ceramics and make stocking caps for craft fairs and for the needy. I like to cook so I often make soup for "Place of Hope." I enjoy all I have done and am still doing. I pray God gives me many, more years of service in doing His good.

I pray daily for all my students and friends

and pray they'll whisper a prayer for me once in a while.
