## JUBILEE WISDOM

*Let God take care of your life.  
Don't worry. God is with us  
every minute of the day.*  
-Mary Joel Robin, SSND

## Mary Joel Robin, SSND

70 Years

*Sister Mary Joel served as a music teacher for nearly 50 years. Her first teaching assignments with elementary students were at St. George, Kenosha and St. Michael, Milwaukee. The rest of her years in education were spent teaching high school students in Wisconsin at Sacred Hearts of Jesus and Mary, Sun Prairie; McDonnell Central, Chippewa Falls; Maryheart, Pittsville; and Catholic Central, Marinette; in Illinois at St. John De La Salle and Academy of Our Lady, Chicago; and in Michigan at St. Anthony, Detroit; Gabriel Richard, Riverview; and Aquinas, Southgate. Sister Mary Joel is a member of the Notre Dame of Elm Grove community where she continues to serve through prayer and presence.*

### **Jubilee is a year of celebrating God's call, fidelity and grace.**

I was blessed by growing up with wonderful parents who were very involved in St. Anthony's parish and schools in Detroit. They developed the school cafeteria and were responsible for many details of the events held there. As a three-year-old I was already at home at St. Anthony's helping my mother set the cafeteria tables! I "grew up" in school, so I knew the SSNDs informally, as well as teacher in the classroom. I entered SSND after my junior year. The blessing continued. – I taught at St. Anthony's for 15 years.

### **The wisdom I would like to share is**

let God take care of your life. Don't worry. God is with us every minute of the day.
