## JUBILEE WISDOM

*Keep your sense  
of humor in life.*

## Veronica Wald, SSND

*70 Years*

*Sister Veronica began her ministry as a School Sister of Notre Dame ministering to the SSND community living and serving at SS. Peter and Paul Church in Mankato, Minnesota. For the next 38 years she would minister through service to the SSND community in schools and parishes in Minnesota, Iowa, Washington and North Dakota. In 1980, after an illness precipitated retirement from full-time ministry, Sister Veronica felt called to volunteer ministry by visiting and assisting the elderly, sick and infirm in her St. Paul, Minnesota, area community. Sixteen years later, she joined the community at Our Lady of Good Counsel in Mankato, Minnesota. Sister Veronica continues to serve the community and church through prayer and presence.*

### **Wisdom is one of the gifts of jubilee.**

The wisdom I have received and have to offer is to keep your sense of humor in life.
