*Be open and willing.
Listen for God's call
in your life.*

Elizabeth Gnabasik, SSND

75 Years

Sister Elizabeth served for 44 years as a primary teacher at parochial schools in the Wisconsin cities of: Burlington, Butler, Chippewa Falls, Milwaukee, West Allis and Wisconsin Rapids; as well as in Fort Wayne, Indiana and Chicago, Illinois. She retired from classroom teaching in 1979 when she joined the community at Notre Dame of Elm Grove and shared her talents as librarian and sacristan. Today, Sister Elizabeth continues to serve through prayer and presence.

A blessing of these years I want to share is

my awe and gratitude for God's fidelity and care for me in health and in illness.

The wisdom I would like to share is

be open and willing. Listen for God's call in your life. I was blessed to be called by God to be a Sister and teacher, thereby walking with children and helping them to be life-long learners. I had a wonderful time teaching God's little ones. I was very blessed to teach first grade for 44 years!
