She ministers through community service and is on the staff of Megumi-no-le.*

### **What drew me to the School Sisters of Notre Dame**

was Mother Theresa's charism and the sisters' cheerfulness.

### **Meaningful times in ministry**

are when I received God's compassion and help along with my community's prayerful support

### **What I would others to know is**

that the School Sisters of Notre Dame is a community that God's compassion and blessings nurture.
