JUBILEE WISDOM

*God is leading us and is
in us wherever we are and
whatever we are doing,
especially at difficult times.*

M. Evangela Imamura, SSND

50 Years

Sister M. Evangela is a member of the Bandipur School Community in Tanahu, Gandaki-zone, Nepal. She ministers as a teacher at Notre Dame Higher Secondary School where at present she also serves as the interim principal.

A blessing of these years...

During these years I could share time together with sisters in community, in the time of difficulty, and the time of smoothly going. We could share our ideas about our life and accept the result of our acts together.

The wisdom I would like to share is

to believe that God is leading us and is in us wherever we are, whatever we are doing, especially at difficult times.

My ministry is directly with the poor children

in a village in Nepal. School Sisters of Notre Dame started a school 28 years ago to educate these children, always trying to bring them to the fullness of their potential. When I see our graduates now grown up and standing on their own, I feel our life and ministry here is meaningful. When the village people express their appreciation for our educational work and our loving care towards their children and themselves, I am happy to be working for them.
