JUBILEE WISDOM

*In being with those who
suffer we journey together
to new understandings
of healing and hope.*

-M. Karen Tachibana, SSND

M. Karen Tachibana, SSND

50 Years

Sister M. Karen is a member of the Kotakeyabu-cho Community in Kyoto, Japan. She serves as the archivist and teaches Bible class for the parents at Notre Dame Girls' High School.

What drew me to the School Sisters of Notre Dame

was their cheerful spirit and educational ministry.

My memorable ministry moments

are those when I have accompanied students (and their families) who suffered from domestic violence or from obstinate diseases. I am also supporting atomic bomb victims.

I would like others to know

that the School Sisters of Notre Dame is a prayerful congregation whose members boldly take actions to meet the needs of the times and the world. I would like to invite people to join us.
