### **The blessings of these years that I want to share is**

as a School Sister of Notre Dame, I have been blessed to be able to serve God's people in many different ways. What I know to be true is this: The Word is made flesh and dwells among us! My awareness of this is overwhelming.

### **The wisdom I would like to share is**

the advice I was given the night I entered our community. An elderly sister came to me and said, "Every night I pray for perseverance, and I willingly accept that gift from God each morning." I know that to be true – God's generosity can never be questioned!

### **As teacher, nurse, missionary and pastoral associate –**

no matter what way I am called to serve God's people – I know that as a School Sisters of Notre Dame, I am supported and challenged by a loving community! At this time, our mission of "Love Cannot Wait" inspires us to continue to witness to God's love in all of creation.
