JUBILEE WISDOM

*Be willing to follow your
Call from God. The Lord
needs only a willing heart
that says "Yes."*

-Evelyn Dangel, SSND

Evelyn Dangel, SSND

60 years

S*ister Evelyn helped children learn in primary grades the first 26 years of her professed life. She ministered in schools in Minnesota, Washington and Iowa. In 1979, Sister Evelyn moved from teaching to being an aide in the health care facility at Good Counsel. The succeeding years she worked in home health care in Superior, Wisconsin and in community service at St. Peter and Paul parish in Mankato. For ten years, Sister Evelyn did hospitality, cooking and gardening at the Center for Spiritual Development at Bird Island, Minnesota. At the turn of the century her gifts and talents were used for seven years ministering to the elderly with Sisters Care in St. Paul, Minnesota. At this present time, Sister Evelyn is part-time sacristan and works in Ceramic Haven at the Good Counsel campus in Mankato.*

A blessing of these years I want to share is

that as I grow older, with each passing year I become more aware of God's love and presence in my life. I see unfolding the countless blessings God has given me in my life.

A wisdom I would like to share is

God's love and mercy in reconciliation. God never abandons me, but rather is always ready for me to return, to embrace me anew, and to shower me with His eternal love.

Ministry experiences I treasure

are related to working with the elderly, first with our own Sisters in health care and later with other persons in their own homes. I realized how much they appreciated a listening ear, a loving conversation and a good laugh. The personal interest in each, generated a sensing of how important each individual is, no matter what physical limitations prevail.
