## JUBILEE WISDOM

*I enjoyed helping and challenging students in math.*

**-Juanita Will, SSND**

## Juanita Will, SSND

*50 Years*

**Sister Juanita** served as a teacher for 35 years in Missouri in St. Louis, Hannibal, House Springs, Scott City and Sullivan; and Belleville, Illinois. She was a principal in DuQuoin, Illinois. From 2000-07, she served in the finance office at Notre Dame High School, St. Louis. She currently assists retired sisters with transportation needs at The Sarah Community in Bridgeton, Missouri. She received her bachelor's in music theory from the former Notre Dame College in St. Louis and a master's in mathematics education from Clarke College in Iowa.

**A meaningful time in ministry** was when I taught second grade. I often got chills when I took them to the library, realizing that I had helped them to read independently. I enjoyed helping and challenging students in math. I tried to make it fun.

**I was drawn to** the School Sisters of Notre Dame because they had been my teachers and the younger ones all seemed so joyful.
