JUBILEE WISDOM

*God can never be
outdone in generosity.*

-Paula Marie Blouin, SSND

Paula Marie Blouin, SSND

50 Years

Sister Paula Marie has a long history in formal education as a classroom teacher at Houme, Louisiana and Brookhaven, Mississippi. She also ministered in leadership positions as an administrator in Dallas, Texas and Jackson, Mississippi. Sister Paula Marie currently serves in early childhood education in Brandon, Mississippi.

A blessing of these years I want to share is I have always felt that the Lord was and is walking before me and with me leading me to the places that God wanted and wants me to go. The Lord has sustained me both in good times and in not-so-good times. The journey has been a wonderful one and I rejoice remembering all of the beautiful people that I have met along the way. They have truly enriched my life.
