## Donna Fischer, SSND

*60 Years*

**S***ister Donna served as a teacher for 28 years in St. Louis, Missouri; Cape Girardeau, Missouri; Jefferson City, Missouri; Breese, Illinois; and Belleville, Illinois. She also taught adult religious education for five years and was a pastoral associate in a parish for 16 years in St. Louis. Since 2007, she has been a spiritual director and also is an advocate in the annulment process. She received her bachelor's in English from the former Notre Dame College in St. Louis and a master's in English from Creighton University in Nebraska.*

**My call to become a School Sister of Notre Dame** came at an early age and arose from my first awareness of God's unconditional love for me as an individual. If God loves me this much, how can I reciprocate that love – by giving my life to God and doing whatever God asks of me.

**All during my life, in the easy times and the difficult moments,** I was always aware I was never alone. God and God's grace were there shedding light in the darkness and celebrating life's joys. Because I am so thoroughly convinced of God's love for me, I have been gifted to be an anchor to bring healing, peace, love and reconciliation to others.
