## JUBILEE WISDOM

*The “suscipe” of our first  
vows takes a lifetime to  
understand and embrace.*

## Dorothy Eggering, SSND

*60 Years*

**Sister Dorothy** dedicated most of her years in ministry to students in high schools in Conway, Arkansas; Chatawa, Mississippi; Tyler, Texas; Baton Rouge and Marrero, Louisiana. She transitioned into Pastoral Ministry in Bedford, Texas and Colleyville, Texas; was a staff member in the liturgy office in the Diocese of Dallas as well as serving as a spiritual director.

**Of the many blessings in my life I have greatly appreciated** the opportunities for education, for always fulfilling ministries, supportive and loving friends, and the challenges to continued spiritual growth.

**The wisdom that I would like to share by my life is** that God loves each of us individually, personally, completely and without measure, and that our purpose in life is to share that with the world. Also, I have learned that the “suscipe” of our first vows takes a lifetime to understand and embrace.

**I would like others to know** that the School Sisters of Notre Dame community is always striving to respond to the signs of the times and is a community committed to living out the values of Vatican II.
