Trust totally in God's love.

Harriet Stellern, SSND

60 Years

Sister Harriet has served in educational settings for 59 years. She was an elementary teacher in Valley Park, Missouri, for three years and has since served in high schools in St. Louis, Missouri; Belleville, Illinois; Quincy, Illinois; and Marrero, Louisiana. From 1984 to present, she has served at Our Lady of Loretto-Bishop Conaty High School in Los Angeles, California. Her roles there have been assistant principal, teacher and support staff member. She received her bachelor's in chemistry from the former Notre Dame College in St. Louis and a master's in chemistry from the University of Notre Dame in Indiana.

A blessing of these years I would like to share is... The awe that I experience observing the vastness of the universe and the beauty and diversity of all creation.

The wisdom I would like to share is... Trust totally in God's love.
