

# 2014 Jubilee

First Profession  
July 13, 1954

## JUBILEE WISDOM

*A grateful heart is a happy heart. Thank God for something every day!*

**-Jean Hasenberg, SSND**

*-formerly S. Mary Carlise*

## Jean Hasenberg, SSND

*60 Years*

**Sister Jean** served as an elementary educator in Wisconsin for nearly 50 years. She taught in Milwaukee at St. John Nepomuc, St. Augustine and St. Helen. She also served St. Mary, Menasha; Immaculate Conception, Saukville; and Rosemary School, Fredonia. She served as both teacher and principal at St. Frances Cabrini, West Bend and as principal at Sacred Hearts of Jesus & Mary, Sun Prairie. Sister Jean was called to three years of community service at the SSND Generalate in Rome. Following full-time classroom work, she volunteered by tutoring students at St. Roman and St. Gregory the Great in Milwaukee; by serving in various parish ministries and with jail ministry at the Kenosha County Detention Center. Sister Jean earned a bachelor's degree in education from Mount Mary College in Milwaukee and a master's degree in elementary administration from the St. Mary College in Leavenworth, Kansas. Since retiring in 2008, she continues to serve by her prayer and presence.

**A blessing of the years I want to share is...** the love God has abundantly shared through all the student, parents, friends and community members with whom I have interacted with over these past 60 years.

**The wisdom I would like to share...** A grateful heart is a happy heart. Thank God for something every day!

**My ten blessed years as principal at St. Frances Cabrini** in West Bend, were memorable because of the prayers, faith sharing and bonding among faculty members and the great assemblies with our 500-600 students. The three years I spent in Rome as secretary to the SSND General Council were a gift! I made lifelong friendships with sisters from many parts of the world. Sister Mary Margaret Johanning, General Superior, became a dear friend as well as an inspiration to me. My Silver Jubilee celebration in Rome was also a highlight.
