JUBILEE WISDOM

*...Take one day at a time
because each day presents us
with another gift from God.*

-Marie Budde, SSND

Marie [John Marie] Budde, SSND

60 Years

Sister Marie used her skills and talents teaching students in the elementary, intermediate and junior high grades for many years in Michigan and Wisconsin. A change of pace brought her to do home healthcare for the next 20 years. Currently, she ministers, as a volunteer, at CORE/El Centro, a Wholistic Health Center in Milwaukee, that serves the low-income Latino community. Sister Marie earned her bachelor's degree in education from Mount Mary College in Milwaukee. Since her retirement in 2006, she has been serving through volunteer ministry and by her prayer and presence.

A blessing of these years I want to share is how grateful I am for all of the people that have touched my life in ministry. Thank you for your compassionate love and deep inspiration.

The wisdom I would like to share is to be sure to take one day at a time because each day presents us with another gift from God.
