JUBILEE WISDOM

...the laity in the church has been and will continue to be the "heartbeat" of the church

-Kay Kolb, SSND

-formerly S. Miriam John

Kay Kolb, SSND

60 Years

Sister Kay began ministering as an educator in junior high and high school in three schools in St. Louis, Missouri. She transitioned into pastoral ministry in the Diocese of Ft. Worth, Texas. Sister Kay has been serving as co-director of Ministries Outreach at the Catholic Renewal Center of North Texas and continues in that role today.

A blessing of these years I want to share is that life is so short, and mine has been fraught with blessings of so many kinds. One of the greatest has been my association with so many friends in SSND, times we've shared, dreams we've known, ministries we've entered. I am so grateful for all of these and for your friendship.

The wisdom I would like to share is the laity in the church has been and will continue to be the "heartbeat" of the church. The laity has enriched my life immeasurably, and I am grateful.
