JUBILEE WISDOM

God is a faithful God who has walked with me on my journey of faith. God seems to tell me, "Be still and know that I am God."

60 Years

Sister Veronica taught in all the elementary grades and was the administrator in a few schools. Her classroom experiences took her to Washington, North Dakota, Wisconsin and Minnesota. After nearly 30 years in the classroom, Sister Veronica began doing parish neighborhood renewal work in Duluth, Minnesota with outreach to other states. Later she became the director of religious education at Sartell, Minnesota and then Wautoma, Wisconsin. In 1997 she began a ministry as a home health aide in St. Paul, Minnesota and she has been there the last 17 years.

A blessing of these years I want to share is a deep gratitude for God's call to become a School Sister of Notre Dame. Jubilee is a year of celebrating God's call, fidelity and grace. My heart is filled with gratitude for my many gifts and talents and the opportunity to share them with God's people. I am grateful for my growing awareness of seeing God in each person.

God is a faithful God who has walked with me on my journey of faith. Whether in difficult times or blessed good times God has led and guided me. God's unconditional love and perpetual mercy have been showered on me daily. Yet, even after sixty years, God remains a mystery ever revealing new facets of Himself. God seems to tell me "Be still and know that I am God."

Some of my most profound moments in ministry were while I was working as a home health aide in Sisters Care and later as a homemaker with West 7th Street Community Center in St. Paul. These experiences with individuals made me more aware and grateful for all I take for granted.
