## JUBILEE WISDOM

*Living together in  
community... enabled me to  
live the vows I professed...  
God delights in me.*

## Vincent Marie Teuber, SSND

*60 Years*

**S***ister Vincent Marie* taught the primary and intermediate grades for 19 years before becoming an administrator in elementary schools for 22 years. Several of those years were spent in North Dakota but the majority of the time she was in Minnesota. After 49 years of this work, Sister Vincent Marie moved into part time ministry as a tutor, librarian or parish minister in various schools. She recently moved to Good Counsel where she works in the library and looks forward to tutoring in the Learning Center. In her retirement, she also enjoys her ministry of prayer and presence.

**Jubilee is a year of celebrating** God's call, fidelity and grace. God does not ask anything else of me but to let God be God in me. It's hard to believe that it has been 60 years since I first answered God's call to be a School Sister of Notre Dame. This is a time for celebration – a time for jubilee! God continues to be faithful to me as promised and God has blessed me with the grace to respond with fidelity in return. I have discovered that where my treasure is, there my heart shall be, and I found the Treasure that caused me to give all that I have.

**The wisdom I would like to share** is that living together in community, like the early Christians, enabled me to live the vows that I professed, and in response to this fidelity, God delights in me.
