**A blessing of these years I want to share is that the love of music** has been a blessing since childhood and during my religious life as well! Probably at age 12, I began piano lessons and learned to memorize the notes. Then about two years later, I began to play the violin, continuing to memorize the notes. As time went on, I began to realize that I could play whatever I was about to hear – whether it was played by someone else or within my own mind. And what a blessing that has been especially as my eyesight has deteriorated.

### **Play Before the Lord**

I will play before the Lord  
I will sing to Him my melody  
Stand among His people here  
Telling of all His ways  
I will sing before the Lord  
Let us sing to Him our melody  
Stand within His temple here  
Telling of all His ways

Sing, people of God  
Bless His holy name  
Offering Him our joyful hearts  
Joining in endless praise  
Alleluia  
Alleluia  
Alleluia, Alleluia  
Joining in endless praise

*(Song based on one of David's psalms)*
