## Karen Moore, SSND

50 Years

*Sister Karen began her ministry in the Milwaukee diocese, serving as a nursing assistant at Our Lady of Mount Carmel Retirement Home in Mount Calvary and at Elm Grove's Notre Dame Health Care Center. In 1974, she turned her focus to education, leading to more than 30 years' dedicated service as a school secretary. The Milwaukee-area schools served included Messmer High School, St. Leo Grade School, LaFollette Grade School, and Washington High School. Since 2005, she has ministered with faithful prayer and presence at Notre Dame of Elm Grove in Wisconsin.*

### **A blessing of these years I want to share ...**

In 1990, I learned I had cancer of the thyroid (this was my 25th Jubilee year). I heard God very clearly through the prayers and support of my SSND sisters. I treasured my vocation as a School Sister of Notre Dame, especially at this time.

### **The words of wisdom I would like to share ...**

Through my ministry, I and those whom I lived with were — and are — mutually enriched.

### **An especially meaningful time in my ministry ...**

In my years as a school secretary, I experienced a wonderful mix of the value of the adults and students, as well as the cultures they came from.

### **What drew you to the School Sisters of Notre Dame?**

I heard God's call to be a religious, and it was God's way of calling me to be a School Sister of Notre Dame.
