### A memory I would like to share...

After some 47 years in the Catholic School system, I was faced with seeking a new ministry. Since I thoroughly enjoy working with children, I investigated a position as chaplain with juvenile offenders. No position was open. So I started signing up to be a volunteer at a juvenile correctional facility. Two days into the process, Sister Theresa Carter of the Congregation of Saint Basil called and asked if I was interested in being a chaplain in the place where I was volunteering. "Yes" was my immediate response. I believe God had planned for me to be a chaplain at Cindi Taylor Juvenile Correctional Treatment Center. In the 11 years working with my "treasures" (the residents), it has become extremely apparent that our God is an awesome God. I love my "treasures" and enjoy teaching them of God's tremendous love for them.
