## **Sister Andrea Marie Freude, SSND**

*Sister Andrea Marie has devoted her entire ministry to the service of nursing care. Following her first profession, she cared for residents as a licensed practical nurse at the SSND home at Villa Gesu from 1958-1981, at which time she entered St. Mary's College in St. Louis to earn her registered nurse certification. She has continued to serve the congregation as a registered nurse, serving at Sancta Maria in Ripa in St. Louis, from 1984-1987, and again, at Villa Gesu until the dawn of the new millennium. In July of 1999, she followed her call to Anna House in Bridgeton, Missouri, again serving as a registered nurse. Since 2007, she has resided at Maryville Garden Apartments and currently volunteers part-time around the St. Louis area.*

### *A memory I want to share...*

My soul does magnify the Lord within me and I rejoice in this spirit, for God has done great things within me throughout my life. Thanks be to God for the “simplicity of my life.”
