

SPONSORSHIP OPPORTUNITIES

The Constitution of the School Sisters of Notre Dame, *You Are Sent*, #17, invites a radical living of gospel justice. In accord with church teaching and directives, we work actively, **especially in our local situations**, to eliminate the root causes of injustice in order to realize a world of peace, justice, and love. To confront injustice credibly requires that we ourselves act justly. (*YAS*, 1986)

The theme of the 2024 Women's Leadership Luncheon is *Women as Peacemakers in a Fractured World of Violence*. School Sisters of Notre Dame are committed to a more just and peaceful world. Our commitment to just peace offers a vision and an ethic to build peace as well as to prevent, defuse, and heal the damage of violent conflict. We aim to promote a culture of life and oneness with all creation.

You are cordially invited to be a sponsor for the 2024 Women's Leadership Luncheon at the River City Casino Event Center. Your sponsorship will help those who attend gain insight and learn more about the good work peacemakers are doing in our community and provide resources needed to sustain our active ministries and care for our sisters long-term needs. **In sponsoring this event, you will have the opportunity to promote your organization or business, network, and recognize women who are peacemakers at home and in the workplace.** A variety of sponsorship levels are available. The following pages outline sponsorship levels and benefits associated with each level.

The School Sisters of Notre Dame are grateful to our Presenting Sponsor, Ann Kampeter, for her longstanding friendship and support. Thanks to the generosity of our sponsors, this event continues to be free for all attendees.

Join us for the 2024 Women's Leadership Luncheon. Learn from women leaders and be empowered to make a difference. The School Sisters of Notre Dame believe that everyone has a gift to share with the world!

We look forward to your sponsorship of the SSND Women's Leadership Luncheon. Thank you for supporting women leaders in our community.

**SPEAKER:
RABBI SUSAN TALVE**

Founding Rabbi, Central Reform Congregation, St. Louis, Missouri
Founder and Chief Executive Officer, Ashrei Foundation

Bringing her vast experience of empowering others, Rabbi Susan Talve's keynote speech will illustrate how she links together the chain of peace to connect those whose differences often divide in our community and beyond.

Rabbi Susan was ordained by Hebrew Union College in Cincinnati in 1981, where she earned a master's degree in Hebrew Letters and a Doctor of Divinity. She was honored with the college's Stephen Levinson Award for community service after founding the Jewish Early Learning Cooperative, Ohio's first licensed infant childcare program in the workplace. She was the first non-Christian to receive an honorary doctorate from Eden Theological Seminary in 2011 for a career of visionary and bold leadership and supporting interfaith relations in the St. Louis community. She was awarded honorary degrees from Washington University, St. Louis and at St Lawrence University, Canton, New York, and has received many awards for her efforts on behalf of the Jewish and non-Jewish community.

Rabbi Susan Talve is the founding rabbi of Central Reform Congregation (CRC), the only Jewish congregation located within the city limits of St. Louis. When other congregations were leaving the city for the suburbs, Rabbi Susan joined with a small group to keep a vibrant presence in the city and to be on the front line of fighting the racism and poverty plaguing the urban center.

Rabbi Susan has led her congregation in promoting radical inclusivity by developing ongoing relationships with African American and Muslim congregations and fostering civil liberties for the LGBTQ community. The core value of radical hospitality has made CRC a safe home for many marginalized individuals and groups.

Access to quality affordable health care has always been a passion for Rabbi Talve. In 2007, she became a founding member and president of Missouri Health Care for All, a statewide grassroots advocacy organization that built a strong coalition for groups and individuals working to bring healthcare access to all Missourians. Rabbi Susan attributes her success to the relationships she has built by showing up: from street corners where violent crime has taken lives to rallies for worker's rights, gun control and access to health care to the bedside of the suffering regardless of religion or membership in her community.

In 2022, Rabbi Susan founded the Ashrei Foundation, a non-profit created to empower and activate the St. Louis community and partners throughout Missouri to promote economic justice, relieve suffering, and interrupt cycles of poverty.
